

Large Heavy Duty Mobile Industrial Drum Fan

- ◆ All models feature a 6-blade design, made with durable and lightweight reinforced nylon material.
- ◆ Equipped with a DC brushless permanent magnet variable frequency motor, maintenance-free, extending the product's lifespan.
- ◆ Multiple speed adjustments with convenient mechanical knobs for easy control.
- ◆ 550W high power significantly increases air output.
- ◆ Thickened wheel design with four 5-inch medium-duty caster wheels.

| Model | Voltage | Power (w) | Control | Blade | Size (cm) | Packing Size (cm) | Net Weight (kg) |
|---------|-----------------|-----------|---------|-------------------------|----------------|-------------------|-----------------|
| YEF3622 | 220V 50/60HZ | 500 | 7 Speed | 36"-6 Blades (90CM) | 102*45*108 | 107*46.5*107.5 | 42 |
| YEF4222 | 220V 50/60HZ | 550 | 7 Speed | 42"-6 Blades (105CM) | 122*51.5*123 | 122*51.5*123 | 49 |
| YEF4822 | 220V 50/60HZ | 600 | 7 Speed | 48"-6 Blades (120CM) | 137*51.5*137.5 | 137*51.5*137.5 | 55 |
